

District Institute

Continued from preceding page:
the committee to offer from \$100 to \$200 for prizes. Some of them may be merchandise and pure-bred stock, but for the most part the prizes would be better in cash.

Thus, the local committee will collect all fees, raise all moneys for expenses, secure all prizes and pay all expenses of the Institute, while the College will send four or five regular workers with as many assistants.

The Conductor, representing the College, will direct all demonstration work and lectures discussions, etc., exactly as if the work were given at the Agricultural college, and committees will be expected to give him the same authority he would have if directing a similar work here.

All arrangements for these Short Courses should be made before January 1, 1901, if possible.

Address all communications relative to these Courses, or to any form of Institute or Extension work, to J. H. Miller, Superintendent Agricultural Extension.

Read the pain formula on a box of Pink Pain Tablets. Then ask your Doctor if there is a better one. Pain means congestion—blood pressure somewhere. Dr. Shoop's Pink Pain Tablets check head pains, womanly pains, pain anywhere. Try one, and see. 20 for 25c. Sold by Holmes, Druggist.

Mrs. Julius Wilsons and Mrs. Frank Harmon were visitors from Galatia last Saturday.

Mr. and Mrs. Anton Popishell of Grant township were down on Wednesday visiting and shopping. It costs nothing.

It will be many years before you see anything as pretty as the Page of Babies in the Democrat's Prosperity Edition.

W. D. Gould and Chas. Lundblade, two members of Great Bend's mercantile fraternity were in the east this week on business.

Harve and Fred Ewing left this week for Iowa for a visit to the scene of their birth. They will be gone about three weeks.

Every baby is pretty, and think of what a pleasure it will be to have baby's picture in the Democrat's Prosperity Edition. It costs nothing.

When You Have Found Your Place.

You will be happy in it—contented, joyous, cheerful, energetic. The days will be all too short for you. Dinner time and closing time will come before you realize it.

All your faculties will give their consent to your work; will say "Amen" to your occupation. There will be no protest anywhere in your nature.

You will not feel humiliated because you are a farmer, or a blacksmith, or a shoemaker; because, whatever your occupation or profession, you will be an artist instead of an artisan.

You will not apologize because you are not this or that, because you will have found your place and have found your place and will be satisfied.

You will feel yourself growing in your work, and your life broadening and deepening. Your work will be a perpetual tonic to you. There will be no drudgery in it.

You will go to your task with delight and leave it with regret. Life will be a glory, not a grind.—Success.

It isn't so difficult to strengthen a weak stomach if one goes at it correctly. And this is true of the Heart and Kidneys. The old fashioned way of dosing the stomach or stimulating the Heart or Kidneys is surely wrong. Dr. Shoop first pointed out this error. "Go to the weak or ailing nerves of these organs," said he. Each inside organ has its controlling or "inside nerve." When these nerves fail then those organs must surely falter. This vital truth is leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. A few days test will surely tell. Sold by Holmes Druggist.
